Annual Membership Meeting Notes – April 8, 2017

89 Credit Union members and 5 guests attended the Trans Texas Southwest Credit Union 63rd Annual Meeting held at Bentwood Country Club on April 8, 2017. Barbara Gallard, Board Chairman, presented the Audit Report and Credit Union Department Examination Report, stating that the books and records of the Credit Union were found to be in excellent condition and the credit union remains “well capitalized”.

Toni Sudduth, CEO, then gave a State of the Credit Union address. She welcomed the membership to the 63rd Annual Meeting. She stated that she is “humbled by the trust you have placed in our team whose leadership, dedication, and passion for credit unions are integral to our success.” She let the membership know that Trans Texas Southwest Credit Union is a non-profit financial institution and unlike for-profit financial institutions, our board of directors serves on a volunteer basis and doesn’t profit from that service. Our sole interest is the member’s interest. We are the stakeholders in this credit union, and we share in its future. Mrs. Sudduth also reviewed the Credit Union’s loan activity, financial highlights, and charitable partnership for 2016.

In 2017, our staff is diligently working to bring the following new products and services to the membership:

Share Draft Images (online)	Real –time processing for:
E-notices	Debit card transactions
Mobile Banking	ATM transactions
Bill Pay	Home Banking
Debit cards will be upgraded to chip cards	

Faron Pfeiffer, Secretary of the Board, reported two terms expiring this year: Vickie Alves and Toni Sudduth. Both candidates were re-elected.

The meeting ended with Credit Union employees Velina Parker, Michelle Boerner, and Robin Taylor, with Robin’s son, Mason, helping give away prizes as Charlie Smith conducted a drawing that members in attendance participated in.

Just as you are committed to your financial institution, we are committed to you.

Trans Texas the Credit Union Committed to YOU!

With Sympathy

John W. Mills, Jr., passed away on April 5, 2017 in San Angelo, Texas. John worked for 42 years as a civil engineer for the Texas Highway Department. He served on the Audit and Credit Committees as well as the Board of Directors of Trans Texas for 34 years (1970 – 2004). The success of the Credit Union today is largely the result of Mr. Mills’ dedication and lengthy volunteer service. We thank his wife, Ava, and his children for sharing him with the credit union for so many years.
