Debit and ATM Security and Safety

- **BE AWARE OF YOUR SURROUNDINGS WHEN USING YOUR CARD.** At night, make sure there is ample lighting and the ATM is clearly visible from the street.
- **LIMIT YOUR TIME AT THE MACHINE.** Prior to arriving at the ATM, have your card out to avoid any delays.
- **REFRAIN FROM DISPLAYING CASH.** Wait to count your cash in the safety of a secure area such as a locked car or your home.
- **BE AWARE OF ATM SCAMS.** If a card reader appears unusual or bulky compared to other ATMs or you notice an unusual attachment or cameras, do not input your card. Report the information to the credit union or local police.
- **BLOCK THE VIEW.** Cover your transaction with your body or hand by blocking the keypad from view. By doing this, you can prevent someone from learning your PIN number.
- **PROTECT YOUR ATM CARD AS IF IT WERE CASH.** Report lost or stolen cards to the credit union immediately at (325) 944-3184 during normal business hours or (800) 327-8622 after hours.
- **SAFEGUARD YOUR PIN NUMBER.** Do not give your PIN number to anyone or allow anyone to use your card. Do not write your PIN number on your card.
- **BE SELECTIVE.** Only use your card at business and internet sites that are well known and reputable.
- **TAKE YOUR CARD.** Please remove your card from the machine when your transaction is complete.
- **TAKE YOUR RECEIPT.** Discarded ATM receipts are a primary means of identity theft and account fraud.
- **BALANCE YOUR STATEMENT.** Review the transactions on your statement as soon as possible. Notify the credit union immediately in the event of any errors or unknown transactions.

April 17, 2018 is the Deadline for 2017 IRA Contributions

Perhaps you forgot to make your 2017 IRA contribution last year. If you haven't yet filed your 2017 tax return, it's not too late! Did you know that you have until the tax filing deadline – April 17th this year – to make a 2017 contribution? Traditional IRA contributions may be fully or partially deductible, depending on your income, filing status, whether you are covered by a retirement plan at work, and whether you receive Social Security benefits.

There is a limit on how much you can contribute to your IRA. Visit www.irs.gov or consult with a tax professional for more information about the advantages of an IRA.

Trans Texas Southwest Credit Union offers both Traditional and Roth IRA's at competitive rates.
